#### EYESAFE INSTRUCTIONS

##### Supervisor

Sign this authorization form and provide it to your employee. Track your program use on the form provided.

##### Employee

Search for a participating optometrist at [www.eyesafesk.ca](http://www.eyesafesk.ca). Make an appointment for an eye examination or to purchase safety eyewear. Upon arrival at your appointment, provide them with this form.

##### Optometrist/Optical Laboratory

See the criteria information above for examination, preparation, and dispensing guidelines. Log in to the EYESAFE page at [www.eyesafesk.ca](http://www.eyesafesk.ca) to enter an order in accordance. A copy of the generated order will be stamped indicating CSA compliance and provided with the glasses, then shipped to the optometric office for verification and dispensing. Retain a copy of this document for your records. If required, provide a copy to your patient.
